THE COMMENCEMENT

NATIONAL AIR

Oh, say can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming,
Whose broad stripes and bright stars, through the perilous fight,
O'er the ramparts we watched were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.
Oh, say does the Star-Spangled Banner yet wave
O'er the land of the free and the home of the brave?

Oh, thus be it ever when freemen shall stand
Between their loved home and wild war's desolation;
Blest with vict'ry and peace, may the heav'n-rescued land
Praise the Pow'r that hath made and preserved us a nation!
Then conquer we must, for our cause it is just.
And this be our motto: "In God is our trust!"
And the Star-Spangled Banner in triumph shall wave
O'er the land of the free and the home of the brave.

Let freedom ring.

Long may our land be bright
With freedom's holy light;
Protect us by Thy might,
Great God, our King.
